

THE FUTURE OF THE INTERNET AND SOCIAL NETWORKING CONFERENCE 2010, attracts around 200 c-level executives, marketers and professionals from major corporations in South Africa.

WHY SPONSOR?

Sponsorship offers a comprehensive package of benefits, including pre-event promotion, onsite exposure and post-event follow up. Becoming a sponsor provides the perfect opportunity to clearly communicate your company profile and future capabilities to a targeted audience of decision makers, offers opportunities to further develop personal relationships with potential and existing clients and facilitates new business.

This conference allows your company to gain brand recognition by aligning your company with this prestigious event.
